

# Roaming Romans

This half-term we would like the children in Year 3 and 4 to complete three homework tasks.

**Please note that the children also have Maths Home Learning this half term which is on a separate sheet.**

They may be completed in any order. Homework books will be checked on **Thursday** every week. If you have any questions about the tasks please do not hesitate to speak to the class teacher.

Thank you for your support.
Year 3 and 4 teachers

## Geography

There are many Roman sites and ruins in the UK. Use the interactive map on https://www.historvius.com/roman-sites-in-britain-uk/fr241 to find a site/ruin that interests you and then use the internet to research your chosen location.

You will have an opportunity to share your research with the class.

Date completed:

## History

Choose a Roman emperor to research. You can find a list of them here; http://www.livius.org/articles/misc/list-of-roman-emperors/

You may choose how you want to present your findings e.g PowerPoint, poster, fact file.

Date completed:

## Art

Create a piece of Art inspired by Ancient Roman art/artefacts. You might create a mosaic, statue or Roman buildings. The choice is yours! We look forward to seeing your projects and displaying them in the classroom.

Date completed:

**Final hand in date Thursday 25th May 2017**
