

## Year 5 Homework

For pupils in the Upper Juniors, it is important to revise skills from the maths, reading and GaPS (Grammar, Punctuation & Spelling) curriculum in preparation for the SATs at the end of Key Stage 2.

Each week, homework will be set on a Friday, to be completed and returned by the following Thursday. Tasks will include a selection from:

- reading comprehension
- maths (either four rules, timetables or linked with current objectives).
- GaPS

In addition, it is vital that children spend at least 4 x 20 minute sessions each week reading, enjoying and discussing a book - please record this in the Reading Diary as usual.

Support with helping your child to plan time to discuss and complete the homework is very much appreciated by the Year 5 staff. Staff will be available for children to attend Homework Club if they wish during one break time - days will be arranged with the class teacher.

Please do not hesitate to contact class teachers if you have any questions.

Many thanks,

Year 5 staff
