

In Maths we are learning:

Geometry (Angles)

- Know that angles are measured in degrees and estimate and compare acute, obtuse and reflex angles.
- Draw and measure given angles in degrees.
- Identify: angles at a point and a whole turn are equal to 360° ; angles on a straight line and $1/2$ a turn are equal to 180° .

Geometry (Shape)

- Identify 3d shapes from 2d representations
- Use the properties of rectangles to work out missing lengths and angles.
- Distinguish between regular and irregular polygons based on their sides and angles.

Geometry (position and direction)

- Identify, describe and present the position of a shape following a reflection or translation.

Year 5

Natural Disasters — 6weeks
(Summer 1 2017)

In Geography we are learning:

- Describe and explain the processes that cause natural disasters and draw conclusions about the impact of natural disasters.
- Study of volcanoes- locate them on a map, explain the stages of an eruption and the impact on the human life.

Literacy

Reading:

Reading & discuss a broad range of genres & texts

Justifying their answers/opinions with evidence from the text (Point, Evidence, Explain)

Draw inference & make predictions

Identify main points of a text and summarise them.

Retrieve & present information from non-fiction texts.

Writing:

- Writing to inform (Newspaper)
- Writing to inform (Diary)
- Proof-reading and editing skills.
- Legible, fluent handwriting

Spelling:

To revise previous learning

To practise topic vocabulary

To practise spellings from statutory list

Grammar/punctuation:

Use adverbs and modal verbs to indicate a degree of possibility.

Commas to clarify meaning or avoid ambiguity.

Expanded noun phrases with relative clauses.

Brackets and dashes.

Colons and semi-colons.

In RE we are learning:

- The journey of life contd.: Judaism (Ba Mitzvah & weddings) ; Christianity (Weddings).
- Beliefs in Action in the World: How do we make moral choices?

In Art we are learning:

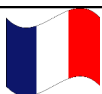

- Experiment with different mediums (watercolour, acrylic paint, chalk, pastel)
- Create a drawing/painting based on a natural disaster.

PE will be on Monday and Friday. Please make sure your child has the correct kit in school on these days and has no earrings in.

We are learning:

- Outdoor PE- Rounders
Tennis

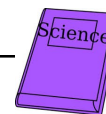

In French we are learning:

- Broaden vocabulary and develop appropriate pronunciation.
- Numbers and birthday
- Classroom phrases

In ICT we are learning:

- Use a range of programs to present information in a variety of ways.
- Create a class page based on our current topic, including manipulated images and texts.
- Use the internet and search engines responsibly and appropriately.

In Science we are learning:

- Identify and name the main parts of the human circulatory system.
- Recognise the impact of diet, exercise and lifestyle on the way their bodies function.
- Describe the ways in which nutrients and water are transported within animals.

Homework: The children will receive 1 piece of Math and 1 piece of English homework each week, which will be linked to that weeks learning.

Homework should be handed in on a Thursday, with the new homework given out on the Friday.

Please remember to practise the spelling list and your times tables .

The expectation is to listen to your child read four times a week and record this in their Reading Diary

Reading Diaries should only be given in once a week on Mondays.

Our School Values - Respect, Responsibility and Aspiration
