

Information from the Police and Social care

Torbay Education Safeguarding Service is a service working in partnership with schools to promote the welfare of children and young people, and to ensure they are safe from harm.

As part of their work they will receive information from partner agencies, such as the police and social care. If it is considered in the interest of the child or young person, this information will be shared with the school.

If information is shared, this will be in accordance with the key principles of the Data Protection Act and be on a need to know basis, and will only occur to help schools protect and promote the welfare of your son or daughter. When there is any sharing of information, schools should discuss this with you to enable a partnership approach to meeting the needs of your son or daughter.

If you have any questions about the service please ask your school, or telephone the Torbay Education Safeguarding Service 01803 393857
