

ICT

Research and use ICT to present information on one of the following significant people from Ancient Egypt; Cleopatra, Tutankhamun, Nefertiti or a Pharaoh of your choice! Use the internet or local library to research your chosen person and then present facts using PowerPoint, Word, or even create a short film! All work will be presented to the whole class on Wednesday 19th October.

Date Completed:

Geography

Create a map showing the key places in Ancient Egypt. Use the internet or an atlas to inform your map.

Date Completed:

Talk Home Learning

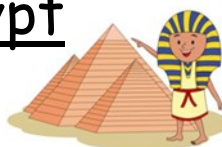

In school we are discussing the rights of a child. With a grown up, discuss your own religion and beliefs.

Date Completed:

Year 3 & 4 Home Learning

Ancient Egypt

Autumn 1

This half-term we would like the children in Year 3 and 4 to complete five homework tasks. They may be completed in any order however we expect that one task will be completed per week (with the exception of the Design Technology task). Homework books will be checked on **Thursday** every week. If you have any questions please do not hesitate to speak to the class teacher.

Thank you for your support,
Year 3 and Year 4 Class Teachers

Design Technology (2 weeks)

We would like you, with support, to re-create an Ancient Egyptian artefact. You may wish to create a piece of jewellery worn by Cleopatra, a canopic jar, scarab amulet, an obelisk, or perhaps a mini mummy! The possibilities are endless and we look forward to displaying your 'artefacts' as part of our classroom display.

Date Completed:

Literacy

Imagine that you have discovered an Ancient Egyptian artefact (it might be something that you saw during your visit to the museum!) You should write a letter from the discovery site to a friend explaining what you have found and where. Describe what it looks like and what you intend to do with it. Use your imagination and be creative! You may wish to write a draft and then a final letter to ensure that the work is their best. Your letter should be no longer than half of an A4 page.
