

Bee Happy

Classes: Apple and Oak

Science

Investigate 1 of the 250+ bee species of British bees - present your findings in a poster/ leaflet to tell another person all about your findings.

Date Completed: Dojo Points: 1

Cooking

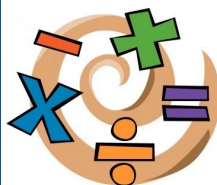

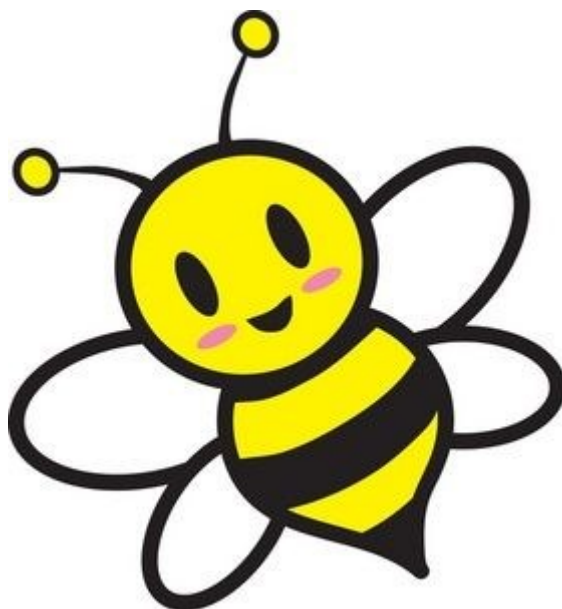

Find a recipe you can make which uses honey—write out the recipe or maybe make it and bring it in to show the class.

Date Completed: Dojo Points: 1

Let's make

Create a model of a honey bee or bee hive using junk material.

Date Completed: Dojo Points: 1

Maths/Comprehension

As the end of year assessments approach, we will be sending home a comprehension task and maths sheet. The children will bring home the sheets for you to complete with them over the coming weeks.

Date Completed: Dojo Points: 1

Science

Investigate honey bee friendly plants which we could plant in the orchard.

Date Completed: Dojo Points: 1

Science

There are many different uses for honey. Find as many different ways in which honey is used— an example being medicine.

Date Completed: Dojo Points: 1

Teacher Comment

Hope you enjoy the new style homework, remember you can choose which ever tasks
