Vision and Aims

Vision

Vision

We want ourselves and the children in our care to be successful, resilient and inquisitive learners who are happy and well-equipped to participate positively in the community and wider society.

School Aims

- To build a school community that reflects our core values of respect, responsibility and aspiration.
 - To create a 'Growth Mindset' culture where everyone is given equal opportunities and the confidence and enthusiasm to challenge and amaze themselves with what they can achieve.
 - To develop a supportive environment, where all children and staff are actively involved and take responsibility for the process of their learning, enabling them to become lifelong reflective and creative thinkers.
 - To foster a positive partnership with parents, carers and the community, in order to enhance the educational and social opportunities and achievements of pupils.
 - To provide the opportunity for everyone to develop the knowledge, skills and attributes required to contribute as healthy positive citizens whilst taking responsibility for themselves, the school and the wider environment.
-
- Values
 - Our school values (*kindness, respect, responsibility and aspiration*) are an essential point of reference on all of our journeys. British values (*democracy, rule of law, liberty and respect*) play an equally important role.

Respect, Responsibility, Aspiration and Kindness

- These four values are woven into all the work we do, in class and assemblies. Monday assemblies often make reference to them, linked to PSHE themes which are developed across the week in classes. They are promoted and linked to how children learn in lessons. At the end of each half term, children are selected by adults from across the school for special recognition values collectible badges. At any point during the term, week or day, children can also be recognised by special values cards that are written by staff and sent home.

Governors

The Articles of Association denotes the School as an Academy. School governors are members and trustees of the academy and both have a different status. Original members were the signatories to the memorandum of association and agreed the academy's first Articles of Association (a document which outlines the governance structure and how the academy will operate). The Articles of Association describe how members are recruited and replaced, and how many trustees the members can appoint to the Governing Body. The members can remove a trustee if they fail to fulfil their responsibilities. Accordingly, the trustees submit an annual report on the performance of the academy to the members. Members are also responsible for approving any amendments made to the academy's Articles of Association.

The trustees are responsible for the general control and management of the administration of the Academy in accordance with the provisions set out in the Articles of Association. The Board of Trustees (Governing Body) is the accountable body for the performance of the academy and as such must:

1. Ensure clarity of vision, ethos and strategic direction
2. Hold the Headteacher to account for the educational performance of the schools and their pupils, and the performance management of staff
3. Oversee the financial performance of the Academy and make sure its money is well spent

The governors have a vital role to play in the running of the school and are closely involved in all the major decisions affecting the school. The Governing Body is a combination of appointed, elected and co-opted governors and is made up in accordance with the academy's Instrument of Government. The membership is as follows:

- Co-opted Governor - Mr J Dickson, Mr Whiffin
- Mr T Hughes (Headteacher)
- Staff Governors - Mrs S Pike, Mrs N Turner
- Parent Governors -, Mr J Bennett, vacancy
- Community Governors - Mr R Hill, Mr M Key, Mr S Kane, Mrs S Kane, Mr T Brookman-Skirrow, Mr J Cree
- Clerk to the Governors/Company Secretary- Mrs K Colmer

An Annual General Meeting of the members is held in accordance with the Articles of Association annually in addition to at least three general meetings.

Subject to the Articles of Association, the members have established the following Committees with powers and functions delegated through the Terms of Reference. Committees are reviewed every twelve months:

- **Finance and Audit Committee**

The Audit Committee is an advisory body with no executive powers. However, it is authorised by the governing body to investigate any activity within its terms of reference and to seek any information it requires from staff who are requested to co-operate with the Committee in the conduct of its enquiries.

The Audit Committee is authorised to obtain independent professional advice if it considers this necessary.

Policies and Procedures

The governors and senior leaders of the Academy act in accordance with a set of policies and procedures which are principles, rules, and guidelines adopted by the governing body.

Policies and procedures are designed to influence and determine all major decisions and actions, and all activities that take place within the boundaries set by them. Procedures are the specific methods employed to express policies in action in day-to-day operations of the academy. Together, policies and procedures ensure that a point of view held by the governing body of an organisation is translated into steps that result in an outcome compatible with that view. The governing body review the policies within their Annual Cycle of Work within the stated time frame.
