

Week 5 - Maths lesson 2

1. First check your child's understanding of the word 'double'.

Use this number blocks episode to help you.

<https://www.youtube.com/watch?v=yIriRxLsHAE>

2. Complete **lesson 2 sorting doubles activity**.

If you feel your child has had enough by this point you can leave it here and return to questions 3 and 4 at a later date.

3. **Work out:**

Double 3 =

Double 4 =

Double 5 =

What do you notice? What's the same?
What's different?

Now try:

Double 2 =

Double 4 =

Double 8 =

What do you notice? What's the same?
What's different?

Week 5 - Maths lesson 2

4. Draw another flower to double the number of petals and then fill in the sentence underneath.

Double 5 is

Can you do the same again with the spider?

Double is
