## TABLE-TOP SALE

### SATURDAY, MAY 4TH

**10am - 1pm**

On behalf of Frazer's Fund, Nina is holding a table-top sale to raise money so that Frazer's family can continue to make cherished memories and ensure that Frazer has all the equipment he needs at home.

If you have any items that you'd like to donate to the sale, then please contact Nina on:

**07957 096296**

Anything that is donated and isn't sold on the day, will either be sold at a second table-top event or will be donated to charity.

We would also like to appeal to any local business who would like to donate items for our raffle, which will be held on the day.

On the day there will be pre loved items for sale, a bouncy castle and face-painting.

It would be great to see you come along to this event to support Frazer's fund and you may grab yourself a bargain at the same time!

This event is being held in conjunction with Nina's skydive at the end of May. The fundraising page for the skydive can be found at:

## — MAKING MEMORIES —

Frazer is the most incredibly brave and beautiful little boy. He is 6 years old and in February 2018 was diagnosed with Late Infantile Batten's Disease. Batten's Disease is an aggressively degenerative neurological disease that robs children of their abilities. Frazer grew up learning how to walk, talk, eat and met each milestone. However, Batten's Disease is now taking these skills from him and he can no longer walk or talk, his swallow is deteriorating and his vision is going. Despite all this, Frazer continues to smile and laugh each day which is why we are working hard to fundraise. All money raised is used to make more amazing memories in the short time Frazer has left and to ensure that he has all the equipment he needs at home to live comfortably.
