

# Year 5/6 Celebrations!

Friday 1st May

Hello everyone! We thought you'd enjoy hearing about how your friends are getting on and keeping themselves busy this week!

## What have we been up to at school?

We've been very much enjoying the weather forecast from our local weatherman, Oliver. Mason's Marvellous Meteorology has been a great read for anyone planning their day whilst working on Google Classroom!

Today, we will have some showers of rain, and the temperature will stay at a low level. Towards the end of the week, the temperature may go up, and the rain may ease, however at the weekend the rain will soon return.  
The weather may have taken a slight downturn, but still make the most of your short time outside.

Lunch in the hall on Tuesday with Mr Tullier!

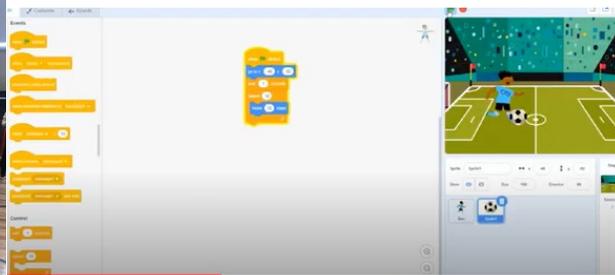

Kaia discovered some brilliantly unusual and interesting facts about 'The Marathon' after learning about The Battle of Marathon in our Ancient Greece studies. Which is your favourite?

1. The youngest boy marathoner was apparently only 3 and living in an orphanage!
2. In 2011, Stefan Engels ran a marathon every day for a whole year - in total 15,401km!
3. The oldest woman to have completed a marathon was aged 92!
4. A 150lb person can burn around 2,600 calories doing a marathon!
5. Chuck Engle is the only man to have completed a marathon in

Amelia created this fantastic sports poem, full of suspense, based on her experiences as a swimmer!

For his home learning, Dillon created a code to make his footballer score a goal! Amazing!

We've started every day with 'PE with Joe Wicks' and are perfecting our frog jumps and duck walks! Martial Arts Mondays are always a highlight and here we are having PE with Premier Sports—social distancing stuck in the mud!

Kayden created an excellent fact file on basketball player, Kevin Durant. The most interesting fact he discovered was that Kevin chose his jersey number of 35 to pay respects to his coach who died at age 35.

What have we been up to at home?

*Ella has made a delicious cheesecake which may have inspired a Willow Class competition!*

*Here's Fin enjoying a good book!*

*Miss Wooldridge took part in 'Come Dine With Me' with her family. Here's her trio of cheesecakes for dessert!*

*Kass celebrated his 11th birthday with this amazing cake! We all hope you had a fantastic day Kass!*

*Ashton exhausted his dog after a long walk. He said it was great to get out in the sunshine before the rain sets in.*

*Jon built Stonehenge from some rocks that he found and Niagara Falls from dyed, frozen shaving foam!*

*Hawthorn teachers were very impressed with this artwork by Alfie W, inspired by The Olympics!*

*Calleigh has followed the lifecycle of a caterpillar changing to a butterfly and released them into the wild!*
